ABOUT US

Chain & Drives was established to become leaders in the support of Power Transmission products and services in Australasia.

To complement our range of products, we offer an initial concept design of your project and specialised requirements, utilising our 3D-drafting & modelling systems.

Our team will manage your project in all stages through design, supply, installation, commissioning & maintenance.

OUR CORE VALUES

1. SUPPORT
2. EXCELLENCE
3. COMMUNITY
4. INNOVATION & IMPROVEMENT
5. TAKING CARE
