

Power Transmission Components

We supply the complete range of power transmission products from market-leading suppliers including Rexnord, Centa, TransDrive, Falk, Senqcia, Reich, Tas Schafer, Bando, Intorq and more.

We offer on-site application analysis & design services and stock a full range of power transmission products ready for delivery, and breakdown situations.

Couplings

- ▶ Chain Couplings
- ▶ Cone Ring Coupling
- ▶ Elastomeric Couplings
- ▶ Fluid Couplings
- ▶ Gear Couplings
- ▶ Grid Coupling
- ▶ HRC Coupling
- ▶ Jaw Coupling
- ▶ Rigid Couplings
- ▶ Tyre Couplings

Shaft-Hub Connections

- ▶ Locking Assemblies
- ▶ Shaft Collars
- ▶ Shrink Discs
- ▶ Taper Lock Bushes

Belts

- ▶ Agricultural V-Belts
- ▶ Classical V-Belts
- ▶ Poly Chain Belts
- ▶ Synchronous Belts
- ▶ Timing Belts

Chain

- ▶ Agricultural Chains
- ▶ Conveyor Chains
- ▶ Corrosion Resistant Chains
- ▶ Heavy Duty Drilling Chains
- ▶ Leaf Chains
- ▶ Roller Chains
- ▶ Specialty Chains

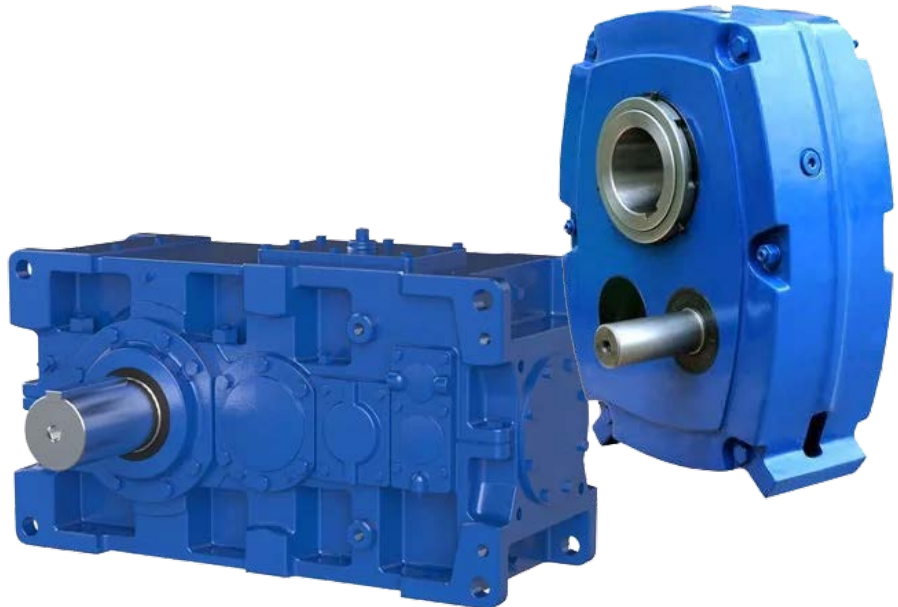

Drive Components

We supply the complete range of Gearbox, Motor & Drive products from market-leading suppliers including Yilmaz, Elecon, Sumitomo, Reggiana Riduttori, Intorq, Rexroth, WEG and more.

We offer on-site application analysis & design services and stock a full range of Gearbox, Motors, Brakes, VSD's and Drive products ready for delivery, and breakdown situations.

Gearboxes

- ▶ AC Gearboxes & Motors
- ▶ Agriculture & Auger Gearboxes
- ▶ DC Gearboxes
- ▶ Helical Gearboxes
- ▶ High-Speed Gear Units
- ▶ Hyponic Drives
- ▶ Paramax Drive Assemblies
- ▶ Planetary Gearboxes
- ▶ Slewing Drive Gearboxes
- ▶ Stainless Steel Gearboxes

Motors & Brakes

- ▶ AC Motors
- ▶ DC Motors
- ▶ Hazardous Area Brakes
- ▶ Motor Brakes
- ▶ Stainless Steel Motors

Other Products

- ▶ Lubrication & Other Chemicals
- ▶ Pulleys
- ▶ Sprockets
- ▶ Torque Limiters

Shaft Support & Protection Components

We supply the complete range of Bearing, Linear Motion & Sealing products from market-leading suppliers including Schaeffler (INA/FAG), Scheerer, ISB, Rexnord, PFI Bearings and more.

We offer on-site application analysis & design services and stock a full range of Bearing and Seal products ready for delivery, and breakdown situations.

Bearings

- ▶ Backstops & Freewheels
- ▶ Ball Bearings
- ▶ Needle Bearings
- ▶ Rod Ends
- ▶ Roller Bearings
- ▶ Slewing Bearings
- ▶ Stainless Steel Bearings
- ▶ Tapered Roller Bearings

Housings

- ▶ Flanged Bearings Units
- ▶ Housings & Units
- ▶ Pillow Block Units
- ▶ Plummer Blocks
- ▶ Radial Insert Housing Units
- ▶ Self-Aligning Bearing Units
- ▶ Split Housing Units

Seals

- ▶ Duo Cones
- ▶ Oil Seals
- ▶ O-Rings

Linear Systems

- ▶ Ball Screws
- ▶ Linear Rail System
- ▶ Shafts & Shaft Support
- ▶ Supports for Linear Bearings

Engineered Solutions

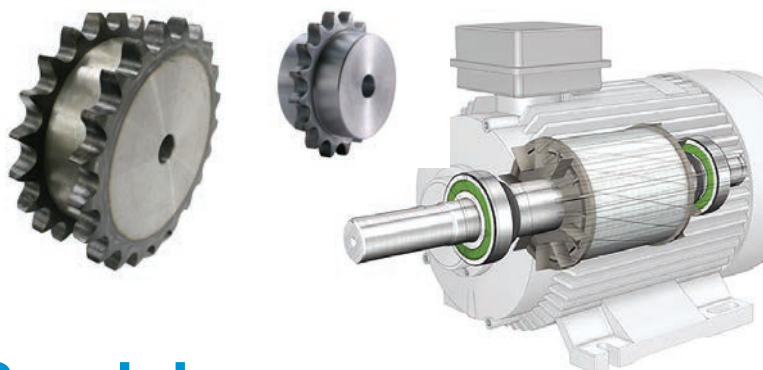

Design, Specialised Projects & Custom Builds

We supply a range of specialised products & services to suit a variety of requirements.

Our design team will assist you through concept design to construction drawings ensuring your product is manufactured to your exact specifications. Offering tailored services & special indent orders to suit your equipment needs.

We offer branding of our products, labeled with your part numbers to assist you and your customer's aftermarket supply requirements.

- ▶ Sprockets
- ▶ Conveyor Chain
- ▶ Coupling Assemblies
- ▶ Pulleys
- ▶ Couplings
- ▶ Conveyor Drives
- ▶ Industrial Gearing
- ▶ Gearbox & Drive Assemblies
- ▶ Mixer Drives
- ▶ Crusher Drives
- ▶ Factory Automation
- ▶ Solar Tracking Drive Assemblies
- ▶ Chain Breakers
- ▶ Chain Rivet Punches

Servicing

Our servicing and repairs are carried out by our service and maintenance division, where we offer on-site quotations and assessments.

- ▶ Genuine Parts
- ▶ Locally Manufactured Parts for urgent breakdown situations
- ▶ Repair for all Industrial Gearboxes, Fluid Couplings, Linear Actuators & Variable Speed Drives.
- ▶ Reliable Mobile Service Team
- ▶ Full Project Management including Design, Supply, Installation & Maintenance on all Power Transmissions.
- ▶ On-site Servicing & Repairs for a Range of Equipment: Gearboxes, Motors, VSD Drives, Actuators, Fluid Couplings, Conveyor Rollers and General Fabrication & Maintenance.

When you purchase equipment and products from Chain & Drives you can be assured that you have entered a partnership offering continued support in to the future.
